

Who we are.

Founded in 1927, **The Cedars Auxiliary** is a group of dynamic women and men dedicated to the residents of **The Skilled Care Center** and **The Rehabilitation Center at The Cedars**.

Our first members collected a nickel a week to build The Jewish Home for Aged on Portland's Munjoy Hill. Today, Auxiliary fundraising and volunteer efforts support therapeutic and recreational programs that allow our elders to live as independently as possible while receiving the highest standard of care.
