

The Cedars Yahrzeit Memorial

The Cedars has transformed the biblical commandment "Honor Thy Father and Thy Mother" into a promise of excellent care for the elders in our community.

The Cedars is pleased to offer Yahrzeit plaques as a way to honor and remember all the special people in your life. In so honoring your loved ones, your gift will make it possible for The Cedars to continue to meet its commitment to excellence now and in the future.

Yahrzeit plaques, located in the main hall, reflect the memory of The Cedars beloved family and friends. Each plaque is inscribed with the name and date of death of someone dear. Every plaque bears a small light, which is lit on the anniversary (based on the Hebrew calendar) of your loved one's death. The engraved Yahrzeit plaques are an inspirational way to honor and remember someone precious.

The Yahrzeit observance will memorialize your loved one during the week of the anniversary of his or her death with the lighting. You will be notified of the Yahrzeit date by mail.
